

WCB PLANT HIRE

A DIVISION OF WCB CIVIL ENGINEERING (PTY) LTD

Terms & Conditions

Operator and machine are the responsibility of hirer, until it has been booked off site and the daily work sheet has been signed.

Any hirer shall be obligated to notify WCB Civil Engineering (Pty) Ltd. of any defects, or deficiencies in the plant immediately once it is notice by any of his employees.

Payment of the accepted quote amount is to be paid before the service is commenced, unless a proper credit application form has been filled in and credit has been approved.

Any queries on invoices need to be rectified with our office before any money can be deducted.

All late payments due to the fault of yourself will allow us to add additional interest of prime rate plus 2% to the outstanding account.

Any person signing this agreement must be duly authorised to sign on behalf of the hirer and bind himself/herself to our standard terms and conditions which are available at our office.

Should this hire agreement be returned to us within twelve (12) Hours, we except that you agree to our rate and conditions.

WCB Civil Engineering's hourly rate consists of minimum 9 hours. Please note that all prices are exclusive of VAT
